# LE NEW BLACK **colect**

## A powerful suite of tools for B2B sales

### B2B Web Showroom

Elevate your B2B sales with our centralised web showrooms for collection presentation and order taking. With 24/7 retailer access and advanced stock management options across both our private environment showrooms and the marketplace.

### iPad Sales App

Streamline your sales with Colect's Sales App: manage catalogs using real-time data for smarter selling and ERP integration for easy order processing. Enhance customer engagement with virtual storytelling, all accessible anytime, anywhere.

### Back Office Sales Management

Centralise sales management processes with integrated tools for contacts, products, orders, and comprehensive sales reports for enhanced workflow efficiency.
