

HVD.be

## Belgium's best waffle irons

Tradition meets innovation

Made in Flanders since 1921, inhouse development & production facilities.

## General info

HVD is specialized in manufacturing professional (customized) waffle irons, running on electricity or gas or semi-industrial carrousel.

We are supplier for hotels, restaurants, artisanal bakeries, catering establishments and amusement parks.

Our waffle machines are available in 110 V, 200 V and 230 V.

## Inhouse production

We design and manufacture your (personalized) waffle iron from start to finish in our own production facilities.
