Value Across Technology

CYRIAS PRESENTATION

Consultancy and implementation
of Source-to-Pay Ivalua Platform.

ivalua

YOUR PARTNER IN DIGITAL TRANSFORMATION

CYRIAS is a consultancy and integration firm that was founded in 2018 to support Procurement & Financial Departments both in France and Worldwide to implement Cloud Solutions.

With several dozen Ivalua projects to their name, CYRIAS consultants all come from the consultancy, purchasing and IT fields, and are able to support you through every phase of your digital transformation projects, including AI-driven initiatives and the design and implementation of custom connectors, whether for direct or indirect procurement, in France and globally.

KEY FIGURES OF CYRIAS' GROWTH

Founded in 2018 by 5 former Ivalua employees, CYRIAS is a consulting and integration firm that supports companies in the digital transformation of their Purchasing and Finance processes.

100%

All our consultants are Ivalua certified or in the process of being certified.

+40

Consultants forming a team with complementary skill sets that unite business knowledge and technical expertise

IVALUA VALUE AWARDS

Annual revenue growth

+20%

CYRIAS also offers complementary services to support you:

- in the preparation of your purchasing digitalization journey
- the implementation of the Ivalua platform
- the change management
- maintenance activities after Go-Live

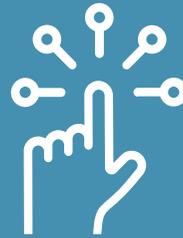

OUR SERVICES

CYRIAS supports its clients in preparing their purchasing digitalization journey, implementing their Ivalua platform, managing change, and maintaining operations after Go-Live. We also support AI projects and develop connectors and intelligent features to enhance data value and operational efficiency.

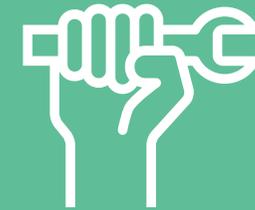

IS INTEGRATION

We help customers optimize purchasing processes and leverage our S2C and P2P expertise to deliver measurable value.

AI PROJECTS

We support you in integrating AI to optimize your procurement, enhancing the efficiency, accuracy, and speed of your decision-making.

CONNECTORS

We create connectors that seamlessly integrate your systems, streamlining data flow and boosting efficiency.
