

**SCOBIC**  
THE LAST MILE SOLUTION

**Urban Mobility**

At Scoobic we design, manufacture and market light electric vehicles for sale, rental and pay-per-use for last mile delivery, which are economical, safe and multiply the number of deliveries per hour.

We want to listen to your needs and offer you vehicles adapted to them (volume, load, autonomy, controlled temperature, etc.).

Tell us what you need and we will give you the solution.

We guarantee the best after-sales service in any country in the world, with our partner **BRIDGESTONE**. More than 700 workshops in Spain, more than 3,000 in Europe and more than 30,000 in the world. Perfectly trained to maintain and repair your Scoobic and keep your fleet running.

Our vision is to clean cities from smoke, traffic jams and noise with more friendly and efficient vehicles, putting the focus on people, citizens and drivers.

Scoobic is here to help you with your last mile logistics needs, that's our mission. Trust us, we are waiting for you.

**BRIDGESTONE**

### Your vehicle always ready

We maintain a pan-European network of over 2,000 mechanical workshops across 25 countries, dedicated to the maintenance and recharging of vehicles.

### Fleet management

With our Webfleet app\*, manage your fleet from anywhere and on any device, ensuring real-time, precise tracking of your vehicles, whether they're parked or on the move.

\* Optional service.

### Insurance for everything

No one better than Scoobic to insure your Scoobic rental vehicle.

Our service is swift and effective, backed by a repair guarantee at official Bridgestone workshops. With Scoobic insurance, you'll have the confidence of being in great hands and the peace of mind that comes from knowing that, whether it's routine maintenance or an accident, your vehicle will always be repaired by professionals specifically trained to look after it.

### Customization

Tailor your vehicle to meet your business needs.

Customize the body with your corporate colors or brand the box with your logo.

Choose or personalize the vehicle's box to suit your business requirements.
