

HEIMR
COLLECTION

Welcome to our world

We are HEIMR Collection

HEIMR Collection manages several hotels around Norway. Our core business is hotel operations, and our hotels are independent companies operated under various brands. HEIMR Collection is owned by Glastad Holding with Endre Tarald Glastad and Sigrid Glastad Laugen as active owners.

In several of our hotels we have restaurants and bars all with their own unique concepts. Stylish interior arouses interest, but in the end it's the people you meet while visiting that make the you come back. Our ambition is to be a meeting point for hotel guests and locals.
