

HOTEL NORGE BY SCANDIC

The Hotel Norge first opened in 1885, and has since become an icon of Bergen and one of its most prominent hotels. In 2018, the hotel was completely remodelled and now stands out as an iconic and modern signature hotel – and a lively meeting place where local meets international in a vibrant and unique setting. Here you will find exciting in-house bars and restaurants that help make the hotel a modern meeting place where local meets international in a vibrant and unique setting. At restaurant Nova and Café Norge, we combine the best ingredients Norway and its west coast have to offer with international flavours and culinary techniques. At The Pool & Spa, you can pamper yourself with a wellness treatment at Artesia Spa or enjoy our relaxing spa facilities, including heated pool, sauna, cold-water shower, steam bath and a wonderful relaxation area with daybeds.
