The screenshot shows a web-based interface for managing opportunities. At the top, there's a search bar and navigation tabs for 'Default view', '2021', 'All opportunities', 'My opportunities', 'Extern form', and 'Calendar'. Below the navigation, there are controls for 'Table view', 'Hide fields', 'Sort', 'Filter', 'Share', and 'Import'. The main table lists opportunities with columns for Opportunity, Status, Client, Logo, and Amount. Below the table, a Gantt chart displays project timelines for various tasks, with colored bars indicating durations across weeks.
