

60S

MSRP: 399€

Including VAT

The Sena 60S is the new flagship communication unit featuring Wave Intercom, Mesh Intercom, and Bluetooth® Intercom with 2nd Generation SOUND by Harman Kardon speakers that are larger and more powerful for the ultimate in-helmet audio and communication experience.

50C

MSRP: €549,00

Including VAT

The Sena 50C features premium Mesh™ and Bluetooth® intercom as well as microphone and speakers developed by Harman Kardon's experts. An integrated 4K camera completes the package for the perfect device you need for your adventure.

50S

MSRP: €369,00

Including VAT

Thanks to the collaboration with the audio experts at Harman Kardon, the 50S is at the cutting edge of intercom technology. The 50S offers both Mesh™ and Bluetooth® communication for the ultimate driving experience.

50R

MSRP: €369,00

Including VAT

The 50R combines Sena's advanced Mesh™ technology and premium SOUND BY Harman Kardon in a sleek yet robust design that enhances any motorbike adventure.

30K

MSRP: €299,00

Including VAT

The 30K is a premium Mesh Intercom communicator with high definition speakers and Advanced Noise Control microphone. The 30K uses Bluetooth® 5.0 for hands-free pairing to a smartphone or bluetooth capable camera.

20S EVO

MSRP: €269,00

Including VAT

The 20S EVO is a high definition Bluetooth® Intercom communicator, that can connect up to 8 riders, and it features a slim antenna with a glove-friendly job dial.

10S

MSRP: €239,00

Including VAT

The 10S is the upgraded version of Sena's flagship Bluetooth® headset for motorcycle helmets, the SMH10. Talk to 3 riding companions via HD audio, up to 1.6 km away, take calls, listen to music, and more.

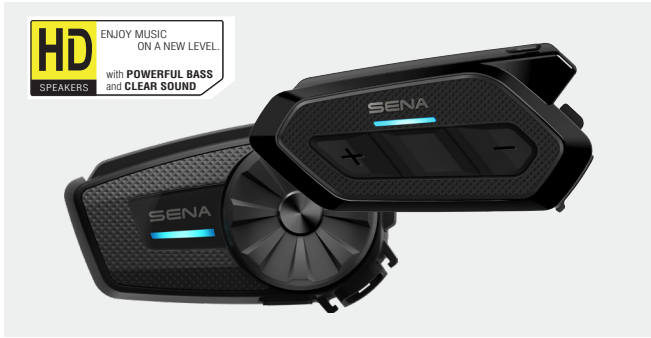

10R

MSRP: €239,00

Including VAT

The 10R is an ultra-slim, high performance Bluetooth® Intercom communication device that is packed with features like HD voice, Audio Multitasking, and Advanced Noise Control.

SPIDER ST1/RT1

MSRP: €229,00

Including VAT

The SPIDER ST1 and RT1 are affordable, Mesh-equipped devices that were the first motorbike headsets from Sena to work exclusively with Mesh Intercom. The ST1 features the user-friendly jog dial, while the RT1 features the lower profile 3-button controls.

SF4/SFR

MSRP: €219,95

Including VAT

The SF4 is one of the most popular devices for connecting small groups of drivers via a 4-way intercom system with a range of up to 1.2 km and HD speakers.

SF2

MSRP: €159,95

Including VAT

Built for communicating with another rider, the SF2 Bluetooth® communication system provides 2-way intercom communication up to 800 m (880 yd) in open terrain.

SF1

MSRP: €139,95

Including VAT

Built for communicating directly with a passenger, the SF1 Bluetooth® communication system provides 2-way intercom communication up to 100 m (110 yards) in open terrain.

5S/5R

MSRP: 5S €169,00 | 5R €149,95

Including VAT

Always connected with Bluetooth® 5 and HD audio. The 5S and 5R have integrated LCD displays for visual confirmation of device settings. The 5S features the glove-friendly jog dial, while the 5R features button controls with a slimmer profile.

SMH5/SMH5 FM

MSRP: €119,00

Including VAT

+Mesh bridges the connection for Sena Bluetooth® devices to communicate within a Sena Mesh Intercom network. Once connected the +Mesh can be mounted to the handlebars, or reside in a pocket or pouch anywhere near the rider.

5R/5R LITE

MSRP: 5R €149,95 | 5R LITE €99,95

Including VAT

The 5R enables HD communication with another rider in a compact and feature rich device. The 5R Lite is an economically focused version with the same features, with standard definition speakers.

3S PLUS

MSRP: €109,00

Including VAT

The 3S Plus delivers high definition 2-way Bluetooth® intercom for open face/jet helmet applications. Advanced Noise Control eliminates wind and road sound for crystal clear audio through the exposed microphone.
