

Experience the thrill of off-road adventure in India on exclusive motorbikes : the **KTM EXC-F 450** and **KTM 390 Adventure**.

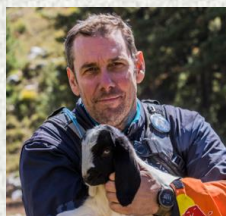

Led by a **team with 35+ years of combined expertise** in off-road adventures, rest assured you're in skilled hands. Our touring agency **offers curated rides and tours** across India's most stunning landscapes.

Get ready to rev up your adrenaline and explore the uncharted on our genuine enduro and trail bikes.

For **your ultimate safety**, our tours include a dedicated support vehicle with a trained **mechanic** and **medical assistance** on board.

After a grueling day of adventures, our riders enjoy the exceptional accommodations. Only 4 and 5 stars hotels!

After two decades as a corporate consultant, Philippe traded his suit for a helmet and gloves, and embarked on a new journey of discovery in India.

With a passion for off-road adventures and a knack for finding the most impressive trails, Philippe sourced a fleet of KTM motorbikes to **share his love of adventure** with fellow thrill-seekers."

As seasoned competitor, he also organizes enduro clinics. In 2021, KTM India appointed as Master Trainer to support and develop its Adventure rider's community program.

1

The Highest Ride - 10 D

A breathtaking journey

Embark on a 10-day odyssey through **Little Tibet's** most beautiful trails. Ride through forests, mountain trails and conquer **high-altitude passes up to 6,000m altitude**.

And don't miss the chance to visit several **fascinating centuries old gompas** (Tibetan monasteries)..

Witness the dramatic shift from lush foothills to lunar landscapes, where mineral hues meet azure skies and emerald oases.

Our intimate groups limited to 8 riders offers you a tailored experience. The tour leader will adjust the pace, riding time, and difficulty level to suit the group's needs, ensuring everyone has an unforgettable adventure.
