THE ART OF TRAVELING

having fun on a motorcycle

RIDING ON AMAZING ROADS

Greece is the ideal destination to experience freedom, pleasure and thrills on a motorbike.

The roads wind along the seaside, twist along the mountainside, get lost in the depths of charming valleys, cross olive groves or vineyards on the hillsides, and picturesque villages where it is good to stop for a well-deserved break.

“ Greece is 80% winding roads between sea and mountains, dream weather and almost always blue skies. ”

Take in the sights

UNCOMPARABLE SITES AND MONUMENTS

With over 3,000 years of history, Greece has no shortage of treasures to share.

This is evidenced by the 19 sites classified by UNESCO as World Heritage Sites, and 14 other remarkable sites awaiting classification. The country is also exemplary in the preservation of natural sites and biodiversity. It has nearly 450 Natura 2000 areas, a dozen national parks and as many protected marine reserves.

AN AUTHENTIC AND FRIENDLY ART OF LIVING

Traveling comfortably and stopping off in beautiful places is our way of thinking about motorcycle travel.

Greece is in the top 5 in Europe for the quality and interest of its gastronomy. Coming to Greece, you will not have to compromise with your plate and your glass.

« I visit each hotel or guest house that I select to ensure that it meets our level of requirements »

- Valérie, the travel fairy at Hellenic Rides

« In Greece, the food deserves attention: simple and tasty cuisine, fresh and aromatic wines, meals most often taken outside, and the conviviality of a gastronomy to share »

- Bertrand, travel guide at Hellenic Rides
