

The Governance Platform

In English, German, Spanish, French, Dutch, Arabic and Hebrew

THE PROBLEM

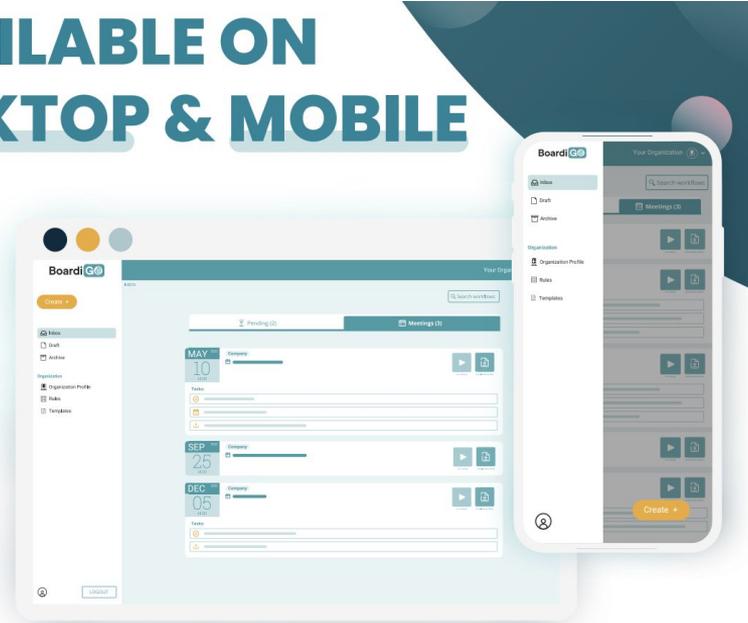

- **Governance is a key driver of performance and the G of ESG**
- **Yet a lot tasks are still done “manually” with the risks of being non-productive and non-compliant**
- **Because there is no comprehensive solution for corporate secretaries and board members to efficiently and securely digitize their governance**

THE SOLUTION: BOARDIGO

BoardiGO

**AVAILABLE ON
DESKTOP & MOBILE**

- **Product: All-in-One SaaS for Boards, GA, Committees**
- **Users: corporate secretaries, board members**
- **USP: Productivity Tool & Litigation Insurance**
