

Italian Excellence in Textiles

## About Us

Responsible luxury fabrics from the Lombardy Textile District.

We are an Italian textile converter and non-profit social cooperative based in the Lombardy Textile District (Varese – Como – Milan). We develop and produce high-end fabrics and capsule collections for emerging and established luxury brands, combining craftsmanship, industrial reliability and measurable ESG performance.

### Key pillars

- Luxury jacquards, embroidery & prints
- Short, audited Supply Chain
- Social inclusive cooperative – ESG rating (2024) 76/100 - ESG rating (2025) not issued yet

## What we do

### Textile development & sourcing

- Fancy jacquards · Fil coupé · Devoré · Embroidery · Plissé;
- Digital & screen printing on silk, cotton, viscose, linen, recycled and conventional polyester;
- Special finishes and surface effects with selected Lombardy mills.

### Collection support & production

- Fabric R&D starting from your brief and target price;
- Capsule & cut & sew projects starting from 20 pieces per style; Sampling → Industrialization → QA → Production oversight;
- Coordination with your pattern-makers and garment makers.

## Lombardy Textile District : Varese · Como · Milan

Within a few kilometres we connect historical mills, specialized workshops and certified partners:

- **Varese** – cotton weaving, dyeing, industrial embroidery;
- **Como** – silk jacquards, printing, finishing;
- **Milan** – design, prototyping, cutting & sewing.

This short, audited Supply Chain enables faster lead times, lower risk and full transparency from yarn to finished garment.

## Why Brands Choose ARNIA TEXTILE FASHION

- **Reliability** – Through our Team with 100+ years of combined experience, we anticipate and prevent issues from sampling to bulk.
- **Partnership** – Technical and commercial guidance, clear specs, fast feedback.
- **Local & transparent** – 85% of our supply chain is based in Lombardy, with audited partners and traceable processes.
- **Craftsmanship & compliance** – Fine Italian making, aligned with international standards and brand guidelines.
- **Sustainability with substance** – ESG 2024 score 76/100 (E:66 · S:84 · G:88), verifiable data and third-party certifications across the supply chain [GOTS - GRS - FSC - ECOVERO].

## Impact & Values

- ARNIA is a non-profit social cooperative: inclusion and ethics are built into our industrial model.
- 100% socially inclusive workforce, with a majority of workers from disadvantaged backgrounds.
- Circular projects that transform textile waste into new materials; long-term partnerships with local stakeholders to support the community.

We believe Luxury can and must coexist with Environmental Responsibility and Human Dignity.
