

The world is our playground

OUR MISSION

To find solutions tailored to the needs of each of our international clients, whether they are manufacturers, importers or distributors.

OUR ACTIVITY

As experts in extra-EU export and thanks to many years of experience in the food processing industry, we work with carefully selected partners to source the products that are best suited to your markets.

Our wide range of dry, fresh and frozen produce is ensuring all your needs in terms of meat, fish and seafood, egg products and more.

OUR EXPERTISE

Our professional, dedicated teams and recognised expertise allow us to stay agile and effectively meet your needs, in terms of our mix product as well as logistical, administrative and financial solutions.

GAIN A TRUSTED PARTNER AND BENEFIT FROM OUR EXPERTISE:

+ Administrative.

Health safety certificates, certificates of origin, shipment tracking, supply chain tracking including all incoterms and international terms of payment (letter of credit, etc.).

+ Logistics.

Container (full TC, full multi-product TC, full multi-product allocated TC). Platform (pallet delivery, multi-product pallet delivery).

+ Transport.

Delivery of dry, fresh and frozen products by air, land and sea.

+ Marketing.

Solutions to highlight products.
