

# Molino Rachello

is a **family-owned Italian flour mill**, founded in 1901, with a legacy spanning six generations.

Based in Roncade, Treviso, the company **specializes** in **producing high-quality, sustainable flours** for various culinary applications, including baking, pizza making, pastry, and fresh pasta.

Molino Rachello collaborates closely with local farmers and food artisans to ensure the authenticity and excellence of their products.

***We look to the future together to offer you the best.***
