Led fly trap with glue sheet **new**

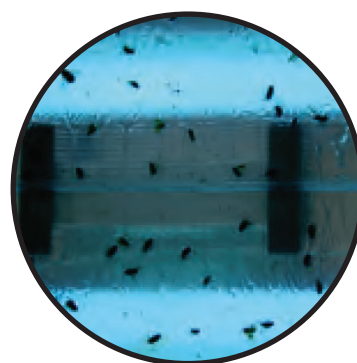

Ref. TMXL

- Completely made of AISI304 stainless steel
- Robust, resistant, professional and with excellent aesthetics
- The pivoting front allows the appearance of the device to be modified to adapt it to the local configuration, while the adhesive sheet with a black background prevents the trapped insects to be seen from outside of the device
- The replacement of the glue sheet can be done easily without tools by sliding the glue sheet in the runners

Designation	Dimensions L x W x H	Power	Mounting	Input	Coverage	Lamp type	Kg	Ref.
