Maria, US, participant during a J&J event:

“Just wanted to give some thanks to you and the team for accommodating my accessibility needs two weeks ago – also being able to borrow the hotel wheelchair was a bonus and meant that I could join the team in the evenings. No doubt I will be back for another J&J event in the future – hopefully without the crutches next time! “

“

Brandon, UK, trying to book a room for a colleague in JJDC, principal of venture investments:

“I am a Hilton Honor Diamond member myself, and I came across many different team members from Hilton chain, I can say that you are one of the most diligent Hilton employee that I had dealt with.

“

Lisa, US, for STAR 32 and 36:

“We organized this event in many hotels, but here we felt most welcomed “
