

MAKE UP FOR EVER ACADEMY

MORE THAN 20 YEARS OF PASSION & EXPERTISE

Founder of the professional MAKE UP FOR EVER brand, Dany Sanz, a former painter and sculptor, has always been passionate about teaching the art of makeup. She created the Paris MAKE UP FOR EVER ACADEMY in 2002. Today we are present in Paris, Shanghai and Brussels and train over 1000 students/year..

The Academies deliver a unique teaching methodology, made of demonstrations, theory, supervised experimentations and creative challenges.

Merging talents, promoting artistry and sharing savoir-faire are at the heart of our Brand. We ourselves are inspired by our Makeup Artists and we thrive to inspire others.
