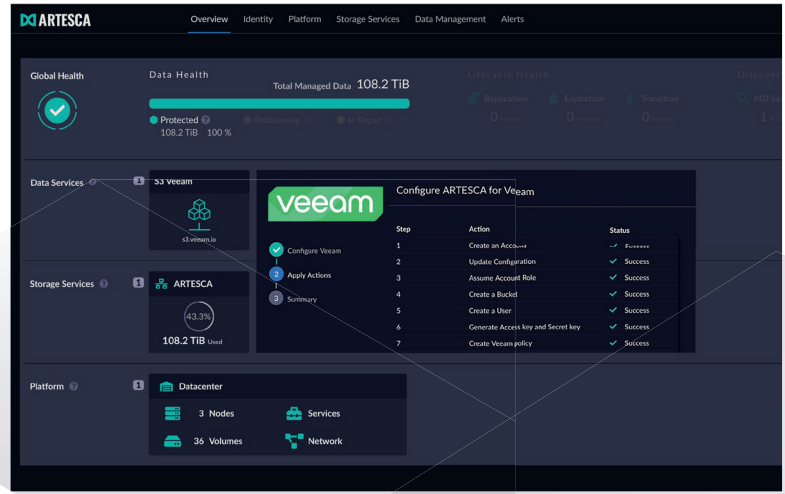
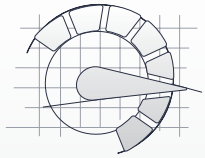
Make your last line of defense your best.



See how **simple** it is. DISCOVER ARTESCA

Together, Scality ARTESCA and Veeam form an unbreakable last line of defense against the cyber threats of today and tomorrow.

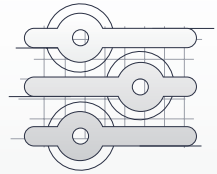


BE PREPARED FOR THE INEVITABLE.

Bounce forward, fast.

Every stat on downtime tells the same story: Avoid it at all costs — or it'll cost you. When you're evaluating backup storage solutions, performance is a critical measure of effectiveness and value.

With ARTESCA, you can restore hundreds of VMs in a matter of hours. No restore performance penalties, ever.



HAVE COMPLETE CONFIDENCE.

Veeam & ARTESCA play nicely.

We're tightly integrated — and have the certifications to prove it. Purpose-built for backup, ARTESCA seamlessly extends Veeam Data Platform's enterprise-grade capabilities with support for its complete feature set.

Our handy Veeam Assistant assures foolproof (and ransomware-proof) configuration of Veeam + ARTESCA.

STAY IN YOUR CFO'S GOOD GRACES.

Enjoy low TCO, no surprises.

Easy to deploy. Easy to scale. Easy to budget for. That's how it should be.

ARTESCA is cost-effective and predictable. Egress charges? Never. Affordable 1, 3 and 5-year subscriptions start at under $4,000 per year — 24×7 enterprise-grade support included.

Become unbreakable. Backup to the best.
