Therapy

Digital Medical Device Program

Class Definition of your Medical Device.

Establish a Quality Management System.

Risk Management Plan for CE Marking and/or FDA clearance.

Clinical Evaluation. How to design, when to apply and more.

Build your Strategic Roadmap for evidence demonstration and Registration Dossier filing.

Access to Market to identify and estimate the target populations, as well as the price potential.

CE mark vs FDA requirements, setting one foot on each side of the Atlantic NGHD's DNA.

Medical Device Advanced Program

Digital Option

Digital Medical Device conception (62304 implementation)

Establishing a software under the Medical Device status is a challenge, different standards apply, development under the “agile” form is possible under certain conditions.

IVD (In Vitro Diagnostic) Option
Implementation IVD 98/79/EC

The development of an IVD follows a specific regulation which evolves with the new adjustment.

Neighborhood's Full Incubation

MENTORING

Dedicated Program

Dedicated program to build strategic development plan. Experienced mentors to construct agency story and give you access both to EU and US markets

NETWORKING

Dedicated Events

We select speakers from our network who come regularly to share their knowledge with the Neighborhood community via our **regular internal** and **external** events.

INVESTMENT

Dedicated Investors

A year of regular interactions with Managing Partners from established private equity companies, to build your equity story. An opportunity to pitch and have an exclusive interaction with our network of investors.

FACILITIES

Dedicated Facilities

You will have access to our cosy office spaces, meeting rooms, amphis and lunch spaces **in our offices** (Paris, Lausanne, Boston area).

Neighborhood's Events

Public Event

Hot topics

With our network, we have selected speakers who visit regularly to share their knowledge with the Neighborhood community via our regular afterworks.

Speakeasy

Experience Sharing

A peer-to-peer meeting exclusive to Neighborhood members only.
