

HEALTH PROTOCOL

Valid Health Pass required upon arrival on site:

- A complete vaccination schedule with the necessary timeframe after the final injection, i.e:
 - 7 days after the 2nd injection for double dose vaccines (Pfizer, Moderna, AstraZeneca),
 - 28 days after injection for single dose vaccines (Johnson & Johnson),
 - 7 days after injection for vaccines in people with a history of Covid (single dose).
 - Proof of a negative Covid test less than 72 hours old (antigen or PCR)
 - Positive RT-PCR or antigen test result showing Covid-19 recovery, at least 11 days old and less than 6 months old.
- It is mandatory to wear a mask throughout the Accor Arena. It must cover the nose, mouth, and chin.
- You will also find hydroalcoholic gel dispensers at the entrance and exit of each area, and at regular intervals throughout the Accor Arena.
- Each participant will be asked to respect the traffic flow in the Accor Arena.
- The areas you will be occupying will be thoroughly disinfected...

Thank you in advance for your cooperation.
