

Drive Profitability and Support Your Suppliers With Ivalua and C2FO

When Ivalua customers connect with C2FO, they gain the power to control and manage their cash flow with deeper insight. Accessing the powerful C2FO network unlocks powerful liquidity tools that streamline cost, drive bottom-line growth and create a more resilient supply chain.

Optimize Your Source-to-Pay Journey

“Our partnership with C2FO creates a dynamic source-to-pay solution that improves how companies access and manage capital, enabling our customers to turn their cash into a more powerful tool for liquidity.”

Pascal Bensoussan, Chief Product Officer, Ivalua

A Winning Partnership for Finance and Procurement

Benefits for Finance Teams

- Improve EBITDA and generate working capital on demand.
- Enhance returns on capital and meet strategic KPIs.
- Eliminate manual discounting and centralize with a single integrated platform.
- Maintain your current AP approval processes without adding headcount.

Benefits for Procurement Teams

- Reduce risk and build resiliency for suppliers of all sizes.
- Improve gross margins without modifying existing terms and contracts.
- Reward diverse-owned suppliers and sustainability efforts.
- Access quantifiable data in the C2FO app to report tangible results.
