Our past edition, in January 2020, gathered 1,000 solutions for the planet, 350 speakers and innovators, and 28,000 participants coming from 100 countries, under the emblematic glass dome of the Grand Palais, in Paris.

The 4th edition, in May 2021 and in digital format, gave a new engergure to the event, with more than 165 countries represented, and the involvement of the world's greatest leaders of change.

Based on the 17 UN Sustainable Development Goals, ChangeNOW addresses topics such as sustainable cities and mobility, clean energy, food and water security, ocean cleaning, education, circular economy, health and well-being, inclusion, biodiversity, etc.
