## ABL GROUP

**Hugues DELANOUE**

hugues.delanoue@abl-group.com
+33 (0)6.10.95.10.41
abl-group.com

ABL Group is a leading independent global consultancy delivering energy, marine, engineering & digital solutions to drive safety and sustainability in energy and oceans.

- **Technologies** :
- **Activities** : Marine coordination & other maritime activities - Ships (transfer services / installation/...)

# E31

## ACTA MARINE

**Audrie JORDAN**
**Manager of Commercial Affairs and Corporate Services**

a.jordan@actamarine.com
+33 (0)7 86 38 35 61
www.actamarine.com

We deliver excellent marine support with our walk-to-work vessels for the offshore wind markets, commissioning phase and O&M. As leading marine support provider, we add value to our clients, and we strive for durable profitability.

- **Technologies** :
- **Activities** : Ships (transfer services / installation/...)

# F44

## ACTIMAR

**Olivier RAILLARD**
**Responsable Développement**

olivier.raillard@actimar.fr
+33 (0)6 85 52 49 49
www.actimar.fr

Actimar is known as an innovative French engineering firm in oceanography. As a long-standing player in the MRE sector, Actimar provides leading expertise and know-how in metocean and impact studies and delivers real-time services for operational and environmental risk management.

# F44

## AFPA BRETAGNE / PAYS DE LA LOIRE

**Adélaïde BOURRIAUD**
**Responsable Communication E-Marketing | Bretagne - Pays de la Loire chez AFPA**

adelaide.bourriaud@afpa.fr
www.afpa.fr/

Training programmes dedicated to offshore wind turbines and their maintenance, organised and managed by the French Ministry of Labour and Employment and sector professionals.

- **Activities** : Training

# H23

## AIRTELIS CONNECT

**Jean-Philippe AUNEAU**
**Head of Helicopter Offshore Operations**

jean-philippe.auneau@airtelis-connect.com
+33 (0)7 80 00 75 24

Helicopter services solutions to offshore wind farm operators

- **Activities** : Aeronautical activities (helicopters/...)

# D38

## AKROCEAN

**Maxime BELLORGE**
**COO**

maxime.bellorge@akrocean.com
+33 (0)6 74 18 46 77
www.akrocean.com/

AKROCEAN is a French player in marine renewable energies providing environmental data collected at sea as a service. We respond quickly & efficiently to any unpredictable event thanks to early default detection through our onshore 365/7/24.

- **Technologies** :
- **Activities** : Data (data center/data visualization/...)

# H27

## ALEXIS ASSURANCES

**Gautier CLAUDINON**
**Deputy General Director**

gautier.claudinon@alexis-assurances.com
+33 (0)4 78 42 68 46
www.alexis-assurances.com/

The pioneer in renewable energy insurance since 1988.

- **Technologies** :
- **Activities** : Legal / insurance

# E31

## ALKA MARINE

**Vanille RAKOTONIRINA**
**Commercial Manager**

commercial@alkamarine.com
www.alkamarine.com

Alka Marine is a shipowner and integrated maritime services provider. We are specialised in supporting marine renewable energy operations and delivering integrated solutions to our customers.

- **Technologies** :
- **Activities** : Ships (transfer services / installation/...) - Research / design / technological development

# D26

## ALLIA

**Eric MANAS**
**Sales Manager**

e.manas@allia-europe.com
+33 (0)2 41 21 19 45
www.allia-europe.com/en/

Industrial engineering equipment contractor
Specialised in materials processing, we offer project management associated with an integrated design office to thermally and mechanically design aproducts or units in accordance with trade codes and requirements.

# E38

## ALOTECH

**Guillaume LAIZNÉ**
**CEO**

commercial@alotech.fr
+33 (0)2 97 47 58 91
www.alotech.fr

Supplier of Personal Protective Equipment

# D24

## AMARIS GROUP

**David FAUCHEUX**
**Directeur Technique**

d.faucheux@groupamaris.com
www.groupamaris.com

Amaris group is a consulting company in project management and follow-up in manufacturing and assembly with solid references with offshore wind players.

- **Technologies** :
- **Activities** : Project development - Environmental expertise

# C14

## AMETHYSTE

**Diane BORLET**
**Sales & Marketing**

diane.borlet@amethyste.fr
amethyste.fr/

High-end software to accelerate the digital transformation and decarbonization of the energy value chain. Manage your asset integrity thanks to advanced inspection and maintenance strategy optimization to increase production performance.

- **Technologies** :
- **Activities** : Digital (software developer / digital services/...)

# E32

## AMS-LHD

groupelhd.fr/atlantique-maritime-services/

ATLANTIQUE MARITIME SERVICES is a shipowner company based in Saint Nazaire providing CTVs and Guard vessels on wind farms.

# H12

## APEC

**Michèle SALLEMBIEN**
**Directrice Régionale**

michele.sallembien@apec.fr
+33 (0)6 74 26 51 86
www.apec.fr/

L'APEC accompagne cadres, demandeurs d'emploi et jeunes diplômés vers les métiers verts. En tant qu'expert en recrutement, elle aide aussi les entreprises dans leur développement durable.

# H50

## AQUITAINE BLUE ENERGIES

**Gwladys IMBART**
**Changée de projet**

g.imbart@quaitaine-blue-energies.fr
+33 (0)6 49 85 43 10
aquitaine-blue-energies.fr/

Aquitaine Blue Energies (ABE) est née de la volonté des entreprises de la région Nouvelle-Aquitaine de se fédérer pour participer au développement économique de l'éolien offshore et des énergies marines renouvelables (hydrolien, houlomoteur...) sur notre territoire.

# D28

## ATLANTIQUE OFFSHORE ENERGY

**Jean-Christophe BESCOND**
**Sales and Marketing Manager Offshore Energy Business Unit**
jean-christophe.bescond@chantiers-atlantique.com
+33 (0)6 60 69 82 82
chantiers-atlantique.com/activites/energies-marines-ingenierie/

We are Chantiers de l'Atlantique's Business Unit dedicated to the Offshore Wind Industry,
and a leading EPCI Contractor for Electrical Offshore Substation turnkey projects.

- **Technologies** :
- **Activities** : Manufacturing (factories - wind turbines / foundations / OSS / tidalturbines / ...)

# E05

## ATLANTIQUE SCAPHANDRE

**Guillaume LEVILLAIN**
+33 (0)6 09 75 42 31

Atlantique Scaphandre est une entreprise de travaux maritimes et sous-marins basée aux Sables d'Olonne.
Elle intervient essentiellement sur les mers mais aussi à terre (barrages, rivières...)

# F32

## ATS

**Stéphane POIRIER**
**Directeur de la croissance & du développement**

spoirier@ats.tech
+33 (0)6 76 99 65 44
ats.tech

ATS Engineering offers industrial engineering services, specializing in design, calculation, and detailed engineering. ATS Connect focuses on digital transformation and industrial connectivity.

- **Technologies** :
- **Activities** : Research / design / technological development - Digital (software developer / digital services/...)

# E32

## AXIMA CONCEPT

**Olivier BUTON**
**Marine & Offshore Department Deputy Director**

marineoffshore.axima@equans.com
+33 (0)2 97 83 17 05

Axima Marine et Noske Kaeser développent des solutions innovantes, sur-mesure et clés en main pour des systèmes HVAC-R plus efficaces afin de rendre vos navires et plateformes plus fiables et plus économes en énergie.

- **Technologies** : - **Activities** : Manufacture & supply of equipments and components

# B

# C44

## B<>COM

**Catherine BOUTHÉON**
**Marketing & Sales Manager**

communication@b-com.com
+33 (0)2 56 35 88 00
b-com.com

b<>com explores, designs and delivers tomorrow's digital technologies to accelerate transitions. b<>com is a member of FIT  Wind power alliance

- **Technologies** : - **Activities** : Digital (software developer / digital services/...) - Research / design / technological development

# G51

## BAYWA R.E.

**Dorine GUESDON**
**Head of Communication BayWa r.e. France**

dorine.guesdon@baywa-re.fr
+33 (0)6 58 27 86 96
www.baywa-re.fr

We are a leading global developer, service supplier, distributor, solutions provider and Independent Power Producer and have brought over 6 GW of energy online, manage over 10.5 GW of assets and employ more than 5.400 employees worldwide.

- **Technologies** :
- **Activities** : Project development

# C17

## BBTM

**Benjamin BON**
**CEO**

benjamin@bbtm.fr
+33 (0)6 65 33 94 07
www.bbtm.fr

BBTM is a French shipowner based in Cherbourg & Le Havre. We assist the offshore industry through Buoy deployement, Oil Spill Response, Towages, Landfall and GV duties.

- **Technologies** :
- **Activities** : Marine coordination & other maritime activities - Operation and maintenance

# G54

## BEAURAIN DISTRIBUTION

**Guy ROULET**
**Directeur Commercial**

contact@beaurain-distribution.com
+33(0)3 22 30 71 71
www.beaurain-distribution.fr/

Beaurain Distribution propose des solutions mécaniques et électroniques permettant de sécuriser les sites industriels : consignation sur machines/secteurs sensibles, contrôle d'accès, protection des personnes, EPI...

- **Technologies** : 
- **Activities** : Operation and maintenance

# G12

## BELGIAN OFFSHORE CLUSTER

**Dirk SCHELKENS**
**Vice-president**

dirk@belgianoffshorecluster.be
+32 468 32 29 61
www.belgianoffshorecluster.be

The Belgian Offshore Cluster is a trade association that represents Belgian Offshore companies active in the entire Offshore Renewable Energy supply chain.
Our goal is to strengthen the representation of the Belgian Offshore Industry worldwide.

- **Technologies** :
- **Activities** : Other

# E46

## BESSE

**Daniel CLARET**
**Directeur commercial**

daniel.claret@besse.fr
+33 (0)7 84 57 47 42
www.besse.fr

Bessé is one of the top French insurance advisors and brokers for industrial risks in France and abroad.
Bessé has already designed and set up made-to-measure insurance programs for several industrialists in the Offshore Renewable Energy field.

- **Activities** : Legal / insurance

# H37

## BIOTOPE

Biotope, groupe international et leader européen dans le domaine de l'ingénierie environnementale est spécialisé dans l'innovation, les énergies renouvelables, le conseil, la formation et l'édition.

# G38

## BLUE GREEN

**Renaud LABORBE**
**Fondateur**

renaud@bluegreen.ai
+33 (0)6 50 96 61 98
www.bluegreen.ai

Blue Green harnesses AI and Nocode technologies to drive the energy transition. The startup merges science and innovation to accelerate sustainable solutions for a greener future.

- **Technologies** :
- **Activities** : Digital (software developer / digital services/...) - Environmental expertise

# F08

## BLUESIGN / SEANERGY 2025

**Sabrina PESEUX**
**President & CEO**

contact@bluesign.eu
+33 (0)1 85 09 68 53

Bluesign is an organisation gathering a team of experts committed to the energy transition and  Seanergy's organiser - drop by to book your stand for 17 & 18 June 2025 in Paris

# F44

## BRESTPORT

**Agathe LE GUILLOU**
**Responsable développement commercial**

agathe.leguillou@brest.port.bzh
+33 (0)6 60 93 74 28
bretagneoceanpower.fr/en/bretagne-mre/ports/

At the heart of a 6GW offshore wind market, BrestPort MRE terminal is dedicated to all offshore wind & marine energy projects. Sheltered in an accessible bay, it has modern facilites adapted to offshore renewable projects,

- **Activities** : Ports

# F44

## BRETAGNE OCEAN POWER

**Philippe THIEFFRY**
**Project manager Bretagne Ocean Power**

p.thieffry@bdi.fr
+33 (0)7 67 52 98 17
www.bretagneoceanpower.fr

Bretagne Ocean Power gathers all the offshore renewable players in Brittany to facilitate access to Breton industrial know-how. Near 200 companies in the region offer extensive industrial know-how, covering all links in the offshore renewable value chain,

- **Activities** : Para-statal organisations

# F44

## BRITTANY REGION

**Gurvan ALLIGAND**
**Directeur de projet « énergies marines »**

gurvan.alligand@bretagne.bzh
+33 (0)6 71 42 20 63
www.bretagneoceanpower.fr

Brittany is a leading region in the maritime economy and offers ideal industrial conditions for the success of offshore renewable energy projects.

- **Activities** : Marine coordination & other maritime activities

# C43

## BUREAU VERITAS

marine-offshore.bureauveritas.com/

Bureau Veritas Marine & Offshore is a world-leading classification society with more than 190 years of expertise. We work with the industry to support innovation via new rules and tools.

- **Activities** : Certification & due dilligence

# D15

## BW IDEOL

**Salomé ROUSSY**
**Communication Officer**

salome.roussy@bw-ideol.com
+33 (0)6 23 51 78 60
www.bw-ideol.com/en

BW Ideol is a pure player in floating offshore wind with 13 years of experience from design, execution, and development of floating wind projects, based on Ideol S.A.'s patented floating technology.

- **Technologies** :
- **Activities** : Technology design - Project development

# G27

## CADDEN

info@cadden.fr
+33 (0)2 51 82 46 46
https://www.cadden.fr

CADDEN is a French supplier, integrator and manufacturer of precise positioning systems for geosciences and precision navigation systems for bathymetry, 3D mapping and precision trajectography.

- **Technologies** :
- **Activities** : Inspection activities (drones / ROV / AUV / etc.)

# G15

## CARGOSTORE WORLDWIDE

**Sans UNKLES**
**Offshore Director**

su@cargostore.com
+44 (0)208 879 1900
cargostore.com/

Cargostore Worldwide is one of the world's leading suppliers of DNV 2.7-1 certified offshore containers supporting offshore wind and oil and gas projects globally.

- **Technologies** : - **Activities** : Assembly / installation / dockside logistics - Ships (transfer services / installation/...)

# H28

## CARNOT ARTS

**Angel TATSIS**
**Deputy Development Director**

angel.tatsis@ensam.eu
+33 (0)6 07 67 25 47
www.ic-arts.eu/

The Carnot ARTS institute brings together 23 public laboratories to support business innovation.
Specialized in marine engineering, fluid mechanics and energy systems, CARNOT ARTS is part of the Carnot network for the Blue Economy.

- **Technologies** :
- **Activities** : Manufacturing (factories - wind turbines / foundations / OSS / tidalturbines / ...) - Marine civil & electrical engineering

# H28

## CARNOT MERS

**Romain CHARRAUDEAU**
**Directeur délégué**

innovation@carnot-mers.com
carnot-mers.com/

The institute Carnot MERS is part of the Carnot network for the blue economy. With the Carnot ARTS, ESP and Energies du futur, they aim to meet the expectations generated by the major economic and societal challenges of the marine industry.

- **Activities** : Research / design / technological development - Marine coordination & other maritime activities

# G46

## CATHIE

**Alexandru GROSARU**
**Business Development Coordinator / Senior Project Engineer**

alexandru.grosaru@cathiegroup.com
+32 485 91 44 27
cathiegroup.com/

The global offshore geoscience and geotechnical engineering consultancy.
We deliver geological, geospatial, geophysical and geotechnical engineering solutions for a wide range of offshore and near shore industries.

- **Technologies** : - **Activities** : Other

# D52

## CEA PAYS DE LA LOIRE

**Amaury DES JAMONIÈRES**
**Business Developer**

amaury.desjamonieres@cea.fr
www.cea-tech.fr/cea-tech/Pages/en-regions/prtt-pays-de-la-loire.aspx

The CEA is involved in decarbonisation of the maritime sector, through its SEA'NERGY platform dedicated to the marinisation of materials and energy systems (batteries, BMS and $H^2$ technologies).

- **Technologies** : 
- **Activities** : Research / design / technological development

# E24

## CENTRALE NANTES & WEAMEC

**Dominique FOLLUT**
**Director**

contact@weamec.fr
www.weamec.fr

WEAMEC is the gateway to the vibrant MRE research, innovation and training ecosystem of “Pays de la Loire” Region. Centrale Nantes is a leading engineering school, which conducts academic and applied research at the highest international level.

- **Technologies** : 
- **Activities** : Research / design / technological development - Training

# C54

## CEPS

CEPS was founded in 1979 and has been based in Lorient since 1996. It has developed many wind energy courses (in French or English), both onshore and offshore, certified by GWO and BZEE since 2010, mainly in Lorient.

# H49

## CERENIS

**Thierry LAUSSEUR**
**CEO**

cerenis.tl@orange.fr
+33 (0)6 14 01 63 14
www.cerenis-bordeaux.fr/

We carry out studies and supervise works for port, naval and nautical projects
We find solutions that are economical, sustainable and practical to operate
Responsive and creative, we approach each project as a new adventure

- **Technologies** :
- **Activities** : Project development - Technology design

# C14

## CERES

**Marie SCIBOZ**
**CEO**

marie.sciboz@ceresm.com
+33 (0)2 33 54 07 11
www.ceresm.com

Since 1994, CERES has been offering personalized services in 3 major maritime domains : Oceanographic Studies / Research & Salvage / Marine & Underwater Expertise.

- **Technologies** :
- **Activities** : Inspection activities (drones / ROV / AUV / etc.) - Ships (transfer services / installation/...)

# E32

## CNI

**Fabrice MARIOT**
**Business developer**

fmariot@cni44.com
+33 (0)6 74 63 31 55
www.cni44.com

CNI is the partner of your projects for industry and architecture.
Our highly qualified staff bring you the best technical solutions for all types of steel and on-site assembly Loire Atlantique (44) and France.

- **Technologies** : - **Activities** : Manufacture & supply of equipments and components - Manufacture & supply of equipments and components

# F12

## DEME OFFSHORE

**Xavier CORDIER**

cordier.xavier@deme-group.com
deme-group.com

DEME Offshore provides the most comprehensive and innovative solutions to renewable
projects for foundation, cable, turbine and substation installation and maintenance.

- **Technologies** :
- **Activities** : Operation and maintenance - Other

# H31

## DETECT INC

**Helen LEWIS**
**Marketing Manager**

helen.lewis@detect-inc.com
+(0)1 850 763 7200
www.detect-inc.com

DeTect specializes in delivery, integration and support of advanced, proven radar Bird Monitoring and Mitigation systems (BMMS) for both onshore and offshore wind energy projects

- **Technologies** :
- **Activities** : Manufacture & supply of equipments and components - Environmental expertise

# G09

## DHI

**Malo LAMBERT**
mlam@dhigroup.com
+33 (0)7 69 32 06 97

DHI is a leading environmental consultancy and engineering firm, specializing in offshore wind energy. It primarily engages in environmental impact analysis, optimization of wind farm layouts, and maritime condition simulation.

- **Technologies** :
- **Activities** : Environmental expertise - Marine civil & electrical engineering

# E24

## D-ICE ENGINEERING

**Sylvain FAGUET**
**Chief Sales Officer**
sylvain.faguet@d-ice.fr
+33 (0)6 68 21 09 77
www.dice-engineering.com

Disruptive solutions for maritime and offshore industries to reduce the carbon footprint and improve the efficiency of operations and safety at sea.

- **Technologies** :
