1,952,000 tons de CO₂eq avoided per year throughout the lifespan of projects

*Impacts estimated *ex ante* of 75 projects signed by Proparco in 2021, which have been subject to an analyzed accounting of the expected impacts.

FOCUS CHOOSE AFRICA

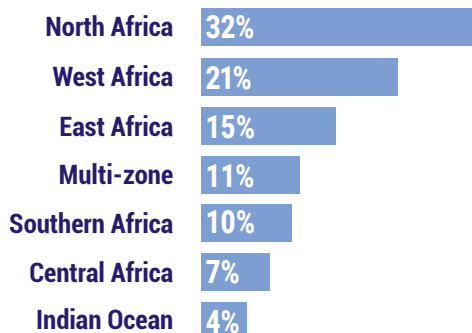

With Choose Africa, AFD Group has taken action to support start-ups and MSMEs in Africa, which are real pillars of the continent's economy. The initiative's objective was raised to €3.5 billion in 2020 and includes a "Resilience" component to meet the needs of companies weakened by the crisis caused by the Covid-19 pandemic.

Strong catalytic effect, with \$5.5 billion dedicated to African entrepreneurship

France's commitment with Choose Africa has spearheaded a strong European and international mobilization for African entrepreneurship.

From mid-2020 to the end of 2021, about 20 European and international institutions committed some \$5.5 billion for African MSMEs.

These efforts will be scaled up at global level under a broader coalition: the Alliance for Entrepreneurship in Africa.

HIGHLIGHTS IN 2021

Spotlight on Entrepreneurial Africa

On 8 June 2021, the CHOOSE AFRICA ON AIR webcast event gathered a number of economic stakeholders, entrepreneurs, experts and financial partners of Proparco, both in a studio in Paris and via a live link-up from Africa. It was an opportunity to give a platform to its beneficiaries and partners on various themes, such as the digitalization of the African economy, women's entrepreneurship and support for the informal sector.
