

Who are we?

Le Village by CA is a network of innovation accelerators with 1200 member businesses. Created in 2014 by Crédit Agricole, it has more than 700 local partners in France, Italy and Luxembourg and multiple international staging posts, including in London, Shanghai and New York. It develops innovation ecosystems to support the rapid growth and transformation of regional enterprises. Each benefits from an open innovation environment, business meeting and interaction spaces, and a complete development path adapted to their needs.
