THE SMARTONE "PTS" PROCESS

SMARTONE ENGAGES EACH CUSTOMER IN A COMPREHENSIVE PROCESS THAT INCLUDES
"PREP", "TEST" AND "SCALE" – KNOWN INTERNALLY AS "PTS".

1 PREP

We receive your detailed requirements via our website, analyze your needs and develop a customized project plan which includes workflow and budget.

2 TEST

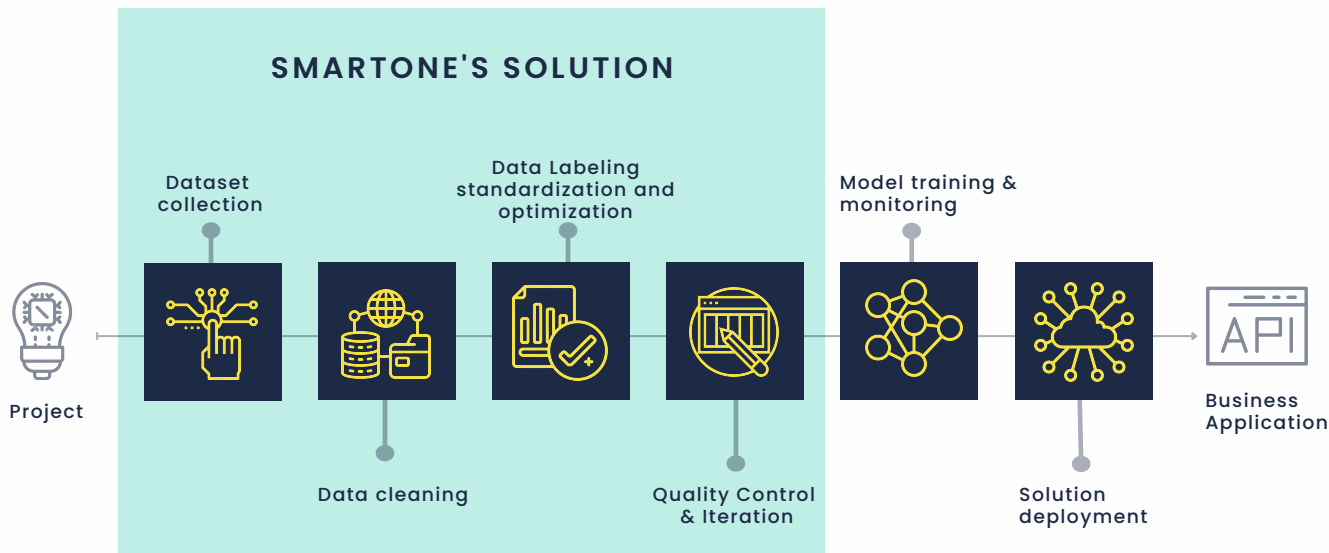

Within 48 hours, we perform a free POC and provide a precise final workflow, quality metrics, skillset requirements and revert with an accurate quote.

3 SCALE

We hire, train and manage your project team to ensure the required accuracy, and set up an effective feedback loop between your team and ours. Our independent quality team makes sure that your dataset meets your goals.

THE SMARTONE "PTS" PROCESS
INVOLVES JOINTLY
CREATING AND DILIGENTLY TRACKING A
PROJECT, MONITORING QUALITY,
OR SIMPLY FREQUENTLY AND
