GARMENT

What is Avenir Garment?

Avenir Garment is a start-up that wants to shape the future of the fashion industry. Instead of Luxury or Fast Fashion we want the fashion industry to be more creative. Our goal is to provide all resources so that your dream of your own collection can become a reality. From design, to production and transport. We provide high service at every step.

Our vision is enabling your creativity to become manifest, while also guaranteeing high quality and safe labour for our producers. Together, with every collection we can make a step towards a fairer and more creative fashion industry.

- Production in Tunisia with 160% of minimum wage high and high working standards
- Collaborations with Tunisian artists
- Upcycling projects for dead stock
