

# WORKING CAPITAL. SIMPLIFIED.

Optimise cash flow, reduce complexity, and unlock new sources of capital with our automated working capital finance solutions.

## MARKET-LEADING TECHNOLOGY PLATFORM

Our cloud-based platform interfaces with corporate ERPs to automate invoice processing and reconciliation. Resilient, scalable, and flexible.

### Unlock working capital

Sell your receivables to release liquidity and grow your business.

### Improve cash flow

Optimise terms with your suppliers and buyers.

### Reduce risk

Replace debt with a non-recourse true sale of receivables (off-balance sheet treatment).

## About us

Our team unites finance & technology expertise to ensure our clients have the working capital they need, when they need it. We source funding from our community of bank & non-bank investors.

## Why Choose us

- ✓ Real-time reporting, tracking & monitoring. At the click of a button.
- ✓ We interface with virtually any ERP. Our clients set the terms & we tailor a solution just for them.
- ✓ Achieve total transparency with our secure & scalable proprietary platform.
