## Even better for your dog — and the planet!

Globe Buddy is a Danish pet food brand committed to making it easier for dog owners to choose healthy, sustainable food. We prioritize ingredients that support your dog's health while minimizing environmental impact. To achieve this, we collaborate with carefully selected partners and suppliers who share our vision of improving dog health and creating a more sustainable pet lifestyle.

### HIGH QUALITY

For our Luxx treats, we have partnered with Ÿnsect, a French producer of insect proteins, to incorporate their innovative Sprýng Protein70 meal. Produced through a patented extraction process, it ensures optimal quality and an excellent nutritional profile for pet food and treats.

### CARBON FOOTPRINT

Using insect proteins significantly reduces the carbon footprint of products like Globe Buddy Luxx Rewards. Insect meal has a carbon footprint of just 3.20 kg CO<sub>2</sub>e per kg of protein, compared to 55.16 kg CO<sub>2</sub>e for beef used in pet food.
