ABOUT US

TransferMate
GLOBAL PAYMENTS

THE SMARTER WAY TO SEND & RECEIVE BUSINESS PAYMENTS

TransferMate is a globally regulated, B2B payments firm that greatly improves tracking, reconciliation and speed of processing or receiving cross-border transactions for businesses.

THE TRANSFERMATE PLATFORM

Global Regulation

We own one of the broadest networks of regulated payment licences in the world.

Local Bank Accounts

We manage our own local bank accounts (local ACH) in countries around the world.

Mass Payments Technology

Make thousands of payments at once - integrating with all leading ERP accounting systems.

TYPICAL USE CASES

Global Payroll Transfers

Export / Import Transactions

Single & Bulk Payments
