

Innovative materials for wood industry.

Design and manufacture in France. Since 1982.

Stand 6C77

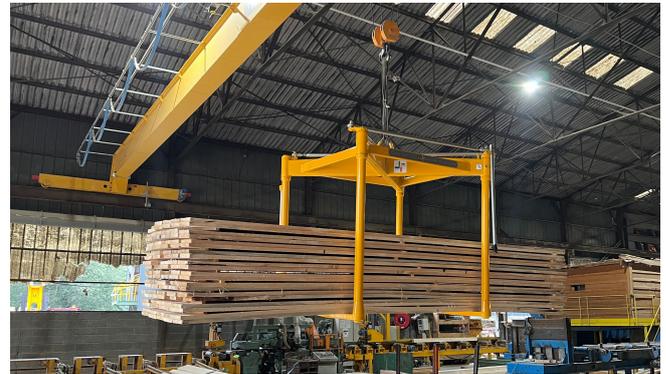

Treatment machines

- Class 2 insecticide
- Fungicide
- Class 3 and 4 autoclaves
- **Class B and C fire retardants**

Material handling equipment

- Lifting
- Forklift Attachments
- Conveying

System for logistics

- **Auwärter** TELE-CARGO-SYSTEMS baskets handling
- Containers loading system
- Retractable ranchers

Robotic

- Wood walls production
- CNT walls production
- Stacking
