

Log handling equipment design and manufacture

Log sorting lines

Hekotek log sorting lines are compatible with different log-treatment technologies and sawmilling systems.

Log feeding systems

Various conveyor solutions for transporting logs to debarkers, sawlines, chippers, as well as for veneer industry.

Log debarking lines

Debarking lines specially designed for low-grade logs - for factories where one-by-one log feeding is not required.

We also offer:

-  Lumber handling lines
-  Various conveyors
-  Aspiration systems
-  Complex pellet mills
-  Wood wastes-burning boiler houses
-  Pellet-burning boiler houses
