NOS
VALEURS

ENERGIE

Gamma-Wopla
Smart Flow Europe
disposent de

3 278

panneaux
photovoltaïques

Ceux-ci nous
permettent de
réduire de

20%

notre
consommation
d'énergie
CO₂

One partner: Engagement RSE

**DEVELOPMENT & INJECTION
MOULDING OF PLASTIC
BOXES & CRATES : B TO B**

LES BASES DE LA RSE

ECONOMIE CIRCULAIRE

DURABILITÉ

GOVERNANCE

Identifier les enjeux RSE de l'entreprise et les partager avec l'ensemble des collaboratrices et collaborateurs

DROITS HUMAINS

Respecter la déclaration des droits de l'homme et du travail

SOCIAL

Veiller à la qualité de vie des collaboratrices et collaborateurs
Egalité des sexes
Fixer des objectifs de formation pour l'ensemble de nos employés

ENVIRONNEMENT ET SOCIETALE

Promouvoir la conception (en matière recyclée) et l'économie circulaire (reprendre nos produits en fin de vie à nos clients).
Accroître la part des Energie Renouvelable dans notre consommation d'énergie

ETHIQUE DES AFFAIRES

Lutter contre toute forme de corruption
Respecter les droits de propriété et de confidentialité

RELATIONS CONTRACTUELLES

Entretenir une relation de confiance durable avec nos partenaires clés
Partager avec nos sous-traitants, nos fournisseurs et nos clients nos engagements RSE

ANCRAGE LOCAL

Respecter les lois et les réglementations locales
Favoriser les entreprises locales dans nos différents partenariats

One partner: Bilan carbone
