

THE BIENNIAL OF THE AMERICAS IS THE HUB OF CONNECTIVITY BETWEEN COLORADO & THE AMERICAS.

OUR MISSION

The Biennial creates connections, builds community, and inspires change across the Americas through the transformative power of ideas and art.

OUR VALUES

- Inclusive & diverse communities
- Collaboration through curious leadership
- Cultural empathy & global experiences
- Appreciation for people & the planet
- Transformative power of art & culture

CONNECT

Our international summits, panels, events, and exhibitions elevate rising leaders and diverse communities across the Americas and advance the connection between Colorado and the Americas to increase awareness, exchange, and cultural empathy.

BUILD

Our programs build stronger city-to-city connections, feature and promote rising leaders, amplify and embrace diverse cultures, and create educational and cultural opportunities to create meaningful cultural exchange across businesses and borders.

INSPIRE

We inspire collaboration and innovation by bringing diverse leaders from across the Americas together to discuss issues of regional importance to build solutions together on issues related to sustainability, innovation, education, and entrepreneurship.

TRIPS & SUMMITS

Summits: Colorado's top business and cultural figures meet with political leaders, entrepreneurs, artists, multinational corporations, and local start-ups.

Culture Trips: Culture Club Members join an international curated cultural experience focusing on the arts through gallery tours, artist brunches, Happy Hours, art walks, and exclusive showings.

AMERICAS LEADERS SERIES

We celebrate the work of trailblazing leaders across the Americas through programs like our Luncheon. In 2023, we were honored to host President-Elect of Mexico Claudia Sheinbaum, as well as over 250 leaders and mayors from across the Americas including Bogotá, Calgary, Rio de Janeiro, Miami, and Tsuut'ina Nation to name a few.

YOUTH CONGRESS

Founded in collaboration with the Nature Conservancy in 2017, young leaders from across the Americas join together for the purpose of cross-nationally addressing sustainable development initiatives and stimulating youth-led climate action.
