SHAMPOOS

FIRST DEEP CLEANING

Ultra-degreasing shampoo cleans the coat deeply. Suitable for dogs and cats.

PROFESSIONNEL AMANDE

Shampoo for professional use with almond scent.

PROFESSIONNEL OCÉAN

Shampoo for professional use with a soft marine scent.

ARGAN

Shampoo enriched with Moroccan argan oil, renowned for its nourishing power. Designed to nourish dry and damaged hair.

REVITAL GROOM

Shampoo specially designed for damaged hair. Its greasy and detangling action makes it easy to care especially for exhibitions.

LONG HAIR

SHAMPOOS

COCO

Shampoo formulated with coconut oil, known for its extreme softness. Perfect for dogs with long and dense hair.

DIANO SPECIAL

Self-detangling shampoo with sweet almond oil, guaranteed silicone-free. Specially designed to facilitate detangling.

JOJOBA

Organic jojoba oil shampoo with balanced PH. Revitalizing, it contributes to the maintenance and the health of skin and hair. The coat is shiny and easy to comb, non-greasy.

LAIT D'AMANDES

Gentle shampoo enriched with almond oil. Provides suppleness and shine without weighing down the hair.

TEXTURE

Shampoo with a high concentration of mink oil. Deeply nourishes the coat, making it smooth and silky.

VOLUME BOOST

Shampoo with amino acids from wheat protein. Brings volume and vitality. The pomegranate contained in this shampoo helps to strengthen the structure of the hair. Gives a silky appearance to the coat without weighing it down.

COLORED HAIR

SHAMPOOS

EASY WHITE

Shampoo for white dogs. Easy to use, very gentle for the coat and skin. Makes the coat silky and shiny.

SUPER BLACK

Shampoo specially designed for dogs with black coats. Restores the coat's natural color and shine. Suitable for all hair types.

SUPER WHITE

Hyper concentrated shampoo for white and silver dogs. Enriched with sweet almond oil. Used for many years by Bichon breeders. Gives the coat its natural color and shine, reduces yellowing.

DÉLICAT

Protein shampoo enriched with Tea Tree Oil. Its beneficial action relieves the skin from irritations and itching.

SPECIFIC SHAMPOOS

SHAMPOOS

GOUDRON

Anti-dandruff shampoo enriched with Norway tar. Can also be used on coats infested with parasites.

PUPPY

Soft shampoo for young dogs. Does not irritate skin or eyes. pH balance of the shampoo allows to wash without aggressing the skin.

TERRIER

Shampoo specially designed for dogs whose hair does not need to be softened. It does not irritate the skin after hair removal. Also suitable for breeds such as Tibetans, Briards, etc.

THERAPY

Anti-hair loss shampoo. It limits hair loss and activates cell regeneration. The skin is purified, and the hair is restructured in depth.

TAHITI DOG SHAMPOO

Shampoo with a soft scent of Monoï, suitable for all types of coats. It makes the coat silky and shiny while leaving a summery scent.

TAHITI DOG BALSAM

Monoï conditioner, suitable for all hair types. It facilitates detangling and neutralizes static electricity. The hair is illuminated and shiny. Bewitching summer scent.

TAHITI DOG

SHAMPOOS AND CARE

TAHITI DOG PARFUM

Perfume with a sweet scent of Monoï, an invitation for an olfactory journey.

SPRAY SPLENDID TAHITI DOG

Nourishing, protective, and revitalizing care for the coat and skin. This spray makes the coat shiny, promotes hair growth, prevents felting and brittle hair. Double use spray: before the bath to detangle or after the bath as a finishing spray (non-greasy texture). Pleasant smell of Monoï.

BALSAM

After-shampoo care facilitates detangling and neutralizes static electricity. Makes hair shiny and brilliant.

CONDITIONNEUR COCO BIO

Ultra-nourishing conditioner with organic coconut oil. Recommended for dry and brittle coats. Particularly suitable for dogs with dense coats, which have a lot of undercoat and difficult to detangle. Moisturizes the coat in depth, restores shine and luster. Soothes redness of skin.

OLÉOGINE

Lacto-colloidal cream conditioner with coconut oil, designed to nourish dull and devitalized hair.

DRY LOTION

No-rinse lotion. Allows to clean the soiled coat without wetting the hair. Ideal for hunting dogs, living outside. Useful when returning from a walk, after small accidents, urinary or other.

GEL SPRAY

Fixing spray, suitable for shaping any hair and allows a natural and long-lasting hold. Its non-sticky texture makes it easy to use, dries quickly and is easily removed by brushing without drying out the hair.

PERFORMANCE PLUS

Almond oil spray specially designed to detangle all types of hair.

SPRAY BRILLANCE

Quick-drying spray thanks to its ultra-fine vaporization. Brings a luminous shine to the coat without greasing it. The « final touch » for all types of hair.

SPRAY DÉLICAT

Spray enriched with Tea Tree Oil. Relieves the skin from itching and irritation. Ideal product after shearing on fragile skin.

SPRAY SPLENDID

Nourishing spray without silicone, it protects and revitalizes the coat. Restores shine and luster to the coat, promotes hair growth, prevents felting and brittle hair. It facilitates detangling. Its non-greasy texture and pleasant fragrance allow it to be used as a finishing spray.

TOP FINISH

Specially designed spray to give the final touch. Provides an anti-static effect and gives shine to the hair.

SOFT WHITE POWDER

Grooming powder for dogs and cats. Thanks to its absorbing power, the powder removes grease and dirt. Masks yellowing of the coat and is easily removed after brushing.

HARD WHITE POWDER

Trimming powder formulated to facilitate the hair removal of terriers and rough-haired dogs.

QUICK STOP

Powder allowing to stop quickly the bleeding of the nails.

HAIR CARE

CONDITIONERS AND CARE
