Revolutionize After-Sales by **client claims & returns** into your brand asset

Reduce
warranty costs

Boost
customer loyalty

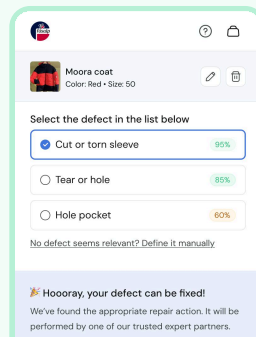

Generate
incremental revenues

Become
circularity leader

Introducing Prolong,
the **AI-powered Operating System**
for after-sales in retail that turns
post-purchase operations into
profit, loyalty and sustainability.

Prolong, your best partner to help streamline after-sales operations, cut costs and launch new profitable Care & Repair services effortlessly.
