# OECD Local Development Forum

## Better strategies for stronger communities

15-17 June 2022 | Cork, Ireland

#GoLocal

# Welcome

Rialtas na hÉireann  
Government of Ireland

# What's the issue ?

- *Support for Ukrainian citizens (war refugees) in finding employment*  93% 
  - *Lack of knowledge of Polish / English*
  - *Lack of documents confirming education / work experience*
  - *Need to provide childcare*

**66%**  
have no knowledge of any foreign language at a communicative level

**57%**  
has documentary evidence of the qualifications obtained

**45%**  
needs to provide care over dependent family members

# What's the response?

- *Involvement of Ukrainian language speakers (also as volunteers)*
- *Development of materials in Ukrainian language*
- *Creation of an information point for Ukrainian citizens*
- *Establishing cooperation with Ukrainian organisations - participation in "service centres"*

# What's the response?

- *Developing a survey to investigate employment needs*
- *Organising information meetings - in places of collective accommodation, municipalities, communes*
- *Organising consultation meetings*
- *Possibility to arrange an individual meeting with a vocational counsellor (with interpreter)*
- *Job search mediation (direct contact with employers)*

# What can others learn?

- *Need to build up the readiness of employment services to act in emergency situations*
- *Need to identify needs of support recipients*
- *Need for local cooperation*
- *Need to collect and process data for needs analysis*

# What are you looking to learn?

- *How to build agility, flexibility of employment services, ability to respond to emergencies?*
