OUR PURPOSE

SINCE IT WAS CREATED BY LOUIS LE DUFF IN FRANCE IN 1988, BRIDOR TEAMS HAVE BEEN DRIVEN BY A PASSION FOR BAKING.

Bread is central to life, all over the world

It is part of our cultural heritage, and every country has its own lively and unique bakery culture that gets passed down from generation to generation. Between traditional and modern techniques, both local and global, recipes intersect and are reinvented to align with what consumers want.

OUR DNA

Protecting bakery know-how

For over 30 years, **Bridor has been inspired by the bakery tradition and has teamed up with chefs** to propose characterful and delicious products. Through prestigious partnerships, such as those established with Maison Lenôtre, Maison Pierre Hermé Paris and Meilleur Ouvrier de France Boulanger, Frédéric Lalos, Bridor offers original collections tailored to a high-end clientele.

At Bridor, we draw inspiration from the knowhow of bakers from all around the world to create typical products inspired by local traditions. Our chefs thus create characterful ranges that are an invitation to indulgence with melt-in-the-mouth Viennese pastries, crispy breads and delicious pastries.

Quality for over 30 years

Bridor's production methods respect the products and resting times necessary for the flavours to develop. The teams consist of bakers, engineers and quality experts who work mainly with pure butter Viennese pastries. Some breads are made with sourdough, kept going for over 20 years in our production workshops.
