

TIRED OF PAPER STRAWS AND WOODEN CUTLERY?

Choose The Best Quality with
Minimal Environmental Impact

Put your
trust in
MADE IN FRANCE

MOOM TABLEWARE, THE 1ST FRENCH MANUFACTURER OF BIO-BASED STRAWS AND CUTLERY MADE FROM SUGAR CANE.

MOOM TABLEWARE has developed the **first bio-based range** made in France (Lyon region). Every day, through its distribution partners, it supplies **more than 8,000 clients**: restaurants, bars, hotels, caterers, and takeaway businesses.

At MOOM TABLEWARE, 32 team members — including 16 with disabilities — work daily to maintain recognized product quality and a **100% service rate**. For its efforts to promote integration, the company has been recognised and awarded the **PME+ label** for the 2nd year running.

We build trusted, long-term partnerships. MOOM TABLEWARE means **high-quality products, low carbon footprint**, local service, dedicated teams, and **fast delivery** (within 72 hours to France's neighboring countries).
